There Is A Time For

FACULTY

Lord Brougham once said in the House of Commons, "Education makes a people easy to lead, but difficult to drive; easy to govern, but impossible to enslave."

Today, nearly a century and a half later, these words still apply. Indeed, I urge each senior to value the knowledge he has gained; and I challenge each underclassman to grow in the light of the senior class motto: "In ourselves our future lies."

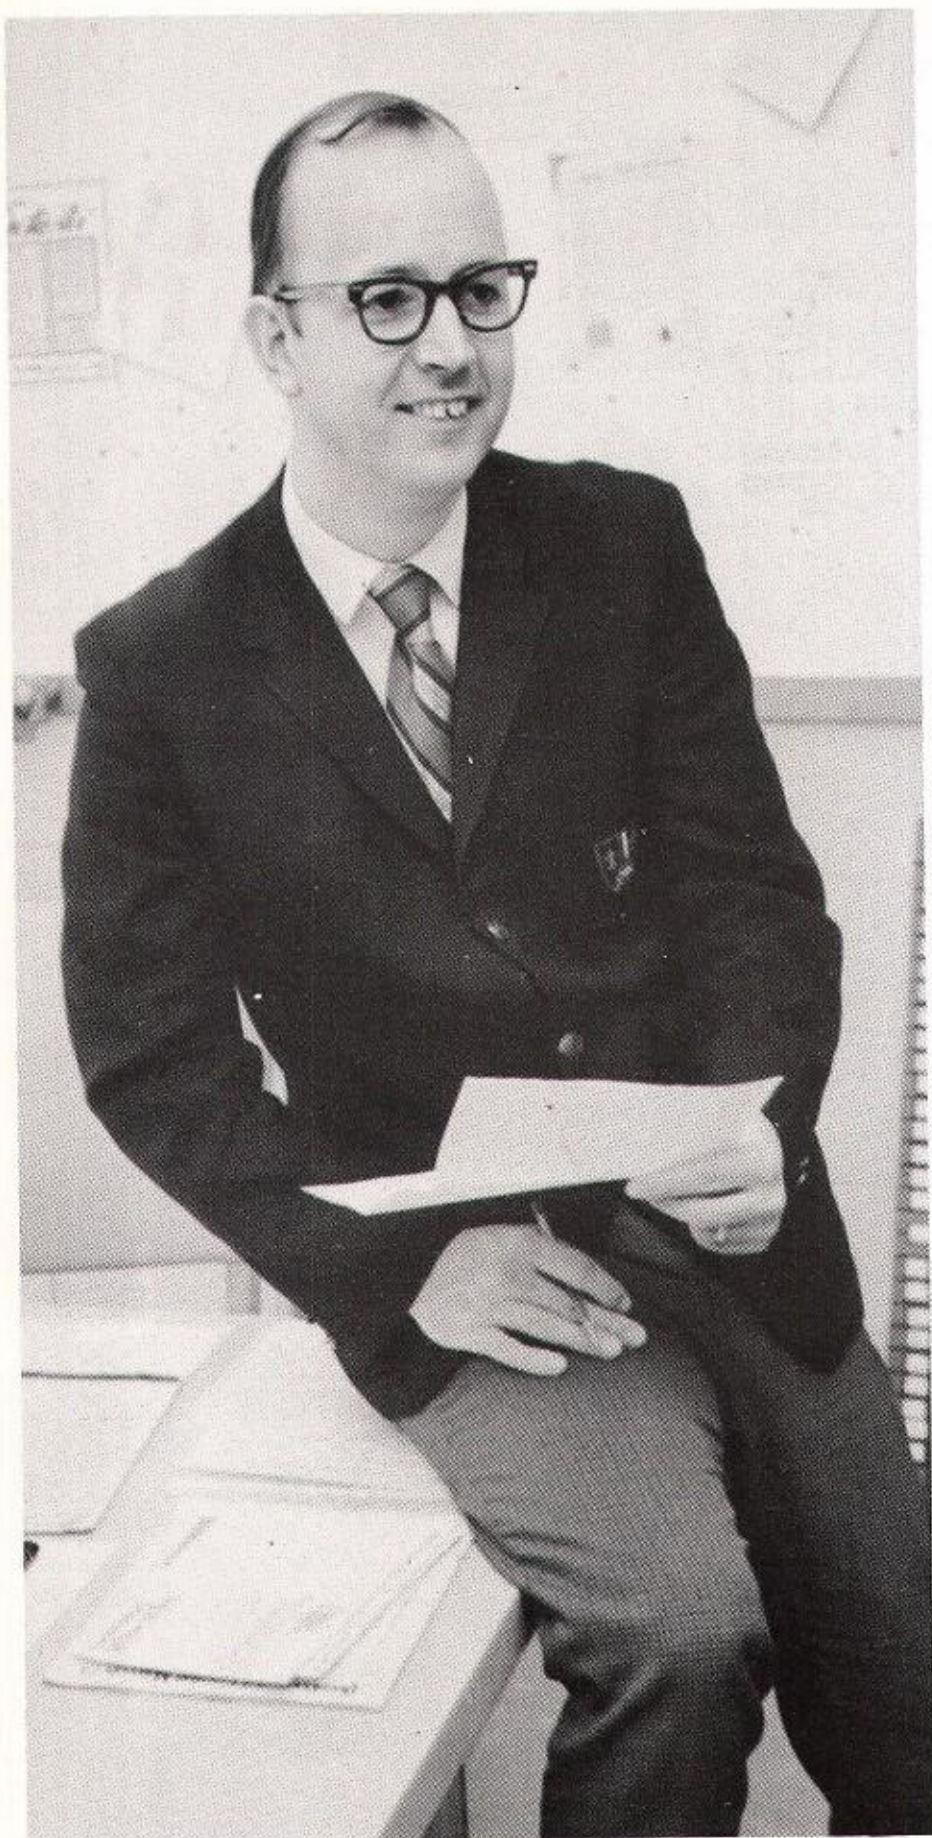

Mr. Charles Boylan
East Holmes Superintendent

East Holmes Board of Education

Seated: Dale Schrock
Standing Left to Right: Dr. Carl Yoder,
Charles Sigrist, Ray Miller

Mr. Tim Miller
Principal

Emerson once said that "the secret of education lies in respecting the student." Our staff can be commended for they do respect our students and have aided many in activities outside the classroom.

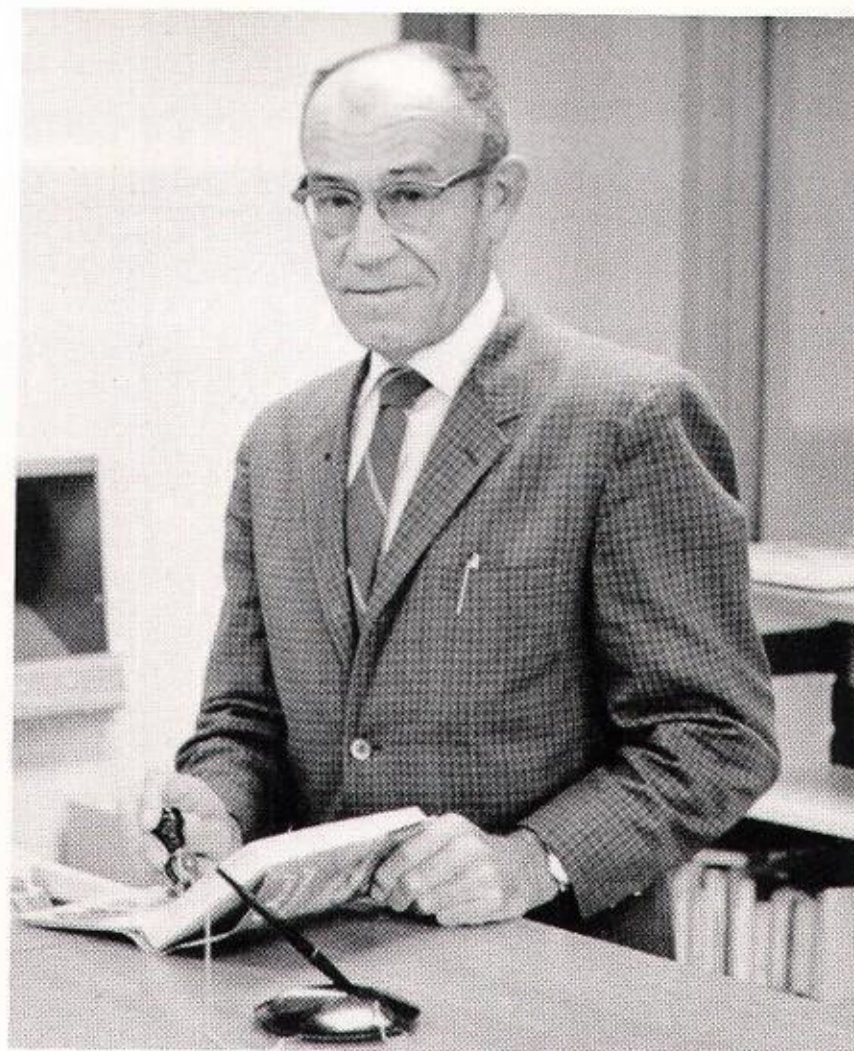

I congratulate our seniors who have succeeded and wish our students for next year a year filled with pride for both yourself and Hiland.

*We are the music-makers,
And we are the dreamers of dreams,
Wandering by lone sea-breakers,
And sitting by desolate streams.
With wonderful deathless ditties
We build up the world's great cities,
And out of a fabulous story
We fashion an empire's glory:
One man with a dream, at pleasure,
Shall go forth and conquer a crown;
And three with a new song's measure
Shall trample a kingdom down.*

To every thing there is a season, and a time to every purpose under the heaven.

Ecclesiastes, III 1

There is indeed a time for all things. For the graduates of 1972, the time of high school days will soon be but a memory. It is time to commence the tasks which lie ahead whatever they may be.

To you, the Hiland Class of 1972, we bid a fond farewell. May the time you spent at Hiland High recall pleasant memories, and may your times ahead be filled with happiness and success.
